

THEMATIC INTENTION

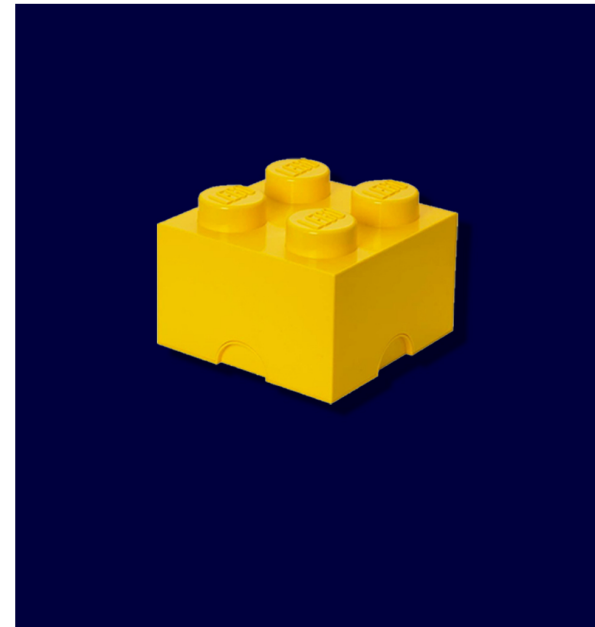

WELLINGTON IS A PLACE THAT HAS COMPACTED ALL THE MASSIFICATION OF A CAPITAL CITY INTO A SMALL AREA. FOR THIS REASON, I THINK THAT AN INTERESTING WAY TO REPRESENT A WELLINGTON SCENE WOULD BE THROUGH VOXEL ART.

MY MODEL WILL BE A REPRESENTATION OF CLYDE QUAY BOAT HARBOUR IF IT WAS MADE OUT OF VOXELS. THE CLYDE QUAY BOAT HARBOUR WAS BUILT IN 1901 AND IT HAS BEEN AN ICONIC SPOT IN WELLINGTON FOR DECADES. THIS HARBOUR HAS BEEN THE HOME OF THE RPNYC AND OTHER BOAT CLUBS SINCE ITS FOUNDATION. ADDITIONALLY, THE HARBOUR IS ARGUABLY ONE OF THE MOST PICTURESQUE SCENES IN WELLINGTON DURING THE SUMMER PERIOD.

RECREATING THE CLYDE QUAY BOAT HARBOUR THROUGH VOXEL ART WOULD GIVE ME THE CHANCE TO SHOW A DIFFERENT PERSPECTIVE OF THIS SPOT. THERE ARE NO SPECIFIC PLACES TO LOOK AT CLYDE QUAY BOAT HARBOUR AS A WHOLE; PEDESTRIANS HAVE TO WALK THROUGH THE HARBOUR TO SEE IT. HOWEVER, VOXEL ART COMPOSITIONS MAINLY USE ORTHOMETRIC VIEWS, WHICH ALLOW PEOPLE TO SEE THE COMPOSITION AS A WHOLE. BY USING AN ORTHOMETRIC PERSPECTIVE, MY COMPOSITION WOULD EXPOSE ALL THE LITTLE DETAILS THAT MAKE CLYDE QUAY BOAT HARBOUR A CHARMING SCENE.

FURTHERMORE, VOXEL ART PIECES NORMALLY USE PASTEL COLOURS, SOFT SHADOWS AND DIM LIGHTING. I THINK THAT USING THESE ELEMENTS TO PORTRAY CLYDE QUAY BOAT HARBOUR WOULD RESULT IN A PRETTY COMPOSITION. MY GOAL IS TO TRANSFORM THE WHOLE SCENE INTO A VOXEL ART ACCURATE REPRESENTATION OF THE HARBOUR. ALTHOUGH, I AM INTERESTED IN EXPLORING HOW I CAN EXAGGERATE LITTLE DETAILS FROM THE ORIGINAL SCENE TO MAKE THE COMPOSITION LOOK: CUTE.

I AIM TO CREATE A COMPOSITION THAT FEELS GOOD TO LOOK AT, A JUVENILE VERSION OF A SPOT THAT HAS BEEN IN WELLINGTON FOR AGES. THE OBJECTIVE IS TO CREATE A MODEL THAT IS IDENTIFIABLE BUT WITH AN AESTHETICALLY CUTE TWIST. FURTHERMORE, I WOULD LOVE TO HAVE A RENDER THAT COULD BE PRINTED INTO A POSTCARD OR A PRESENT CARD.
